

City of Bethany

Sidewalk Expansion/Improvement Program

The City of Bethany will be helping residential and commercial property owners to improve their sidewalks. We hope to help in improving the safety and appearance of Bethany.

City's Investment (4 price levels):

1. \$10.00 per lineal foot for sidewalks that are a minimum of 4 feet wide, 3.5 inches thick, with rock and 3/8 or better rebar.
2. \$6.00 per lineal foot for sidewalks that are a minimum of 4 feet wide and 3.5 inches thick, no rebar.
3. \$12.00 per lineal foot of any sidewalk connecting to the "safe route to school: sidewalk that is 5 feet wide, 3.5 inches thick, with rock and 3/8 or better rebar.

Program Requirements:

1. Request to be put on the list by notifying City Hall 425-3511. (Before you start your project) Inform them if you are doing work or hiring a contractor. (If using a contractor two bids must be submitted before inspection)
2. The Project must be inspected by a city employee before sidewalk is poured and after forms and rebar have been installed. (You will need an appointment for this.)
3. Property owner is responsible for payment of sidewalk. (labor and materials)
4. Funding is limited so please check with City Hall before starting work to check funding.
5. Proof of payment for material and/or labor, must be submitted to city hall for payment. (you should have name, address, and work done on a paid receipt) If payment is to be made to contractor they will need to bring in signed letter of completion from home owner.
6. City will then issue payment to the property owner or contractor after approval by council.
